Create Gable Box:

1. Cut paper 8" x 8 1/2".
2. On the 8 1/2" side, score at 1/2", 2 1/2", 4 1/2" and 6 1/2".
3. Turn to the 8" side and score at 2" and 5 1/2".

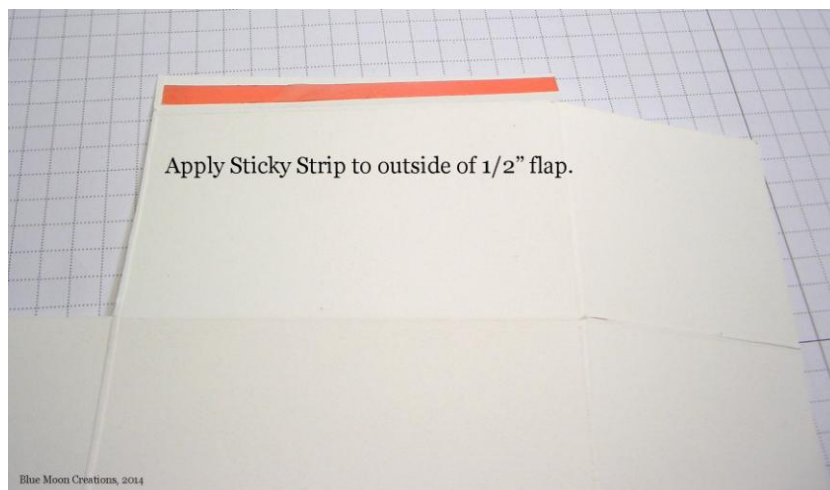

4. Cut off 1/2" wide rectangles, leaving the flap in the center of the scores.

5. Cut down vertical score lines stopping at the horizontal score lines.

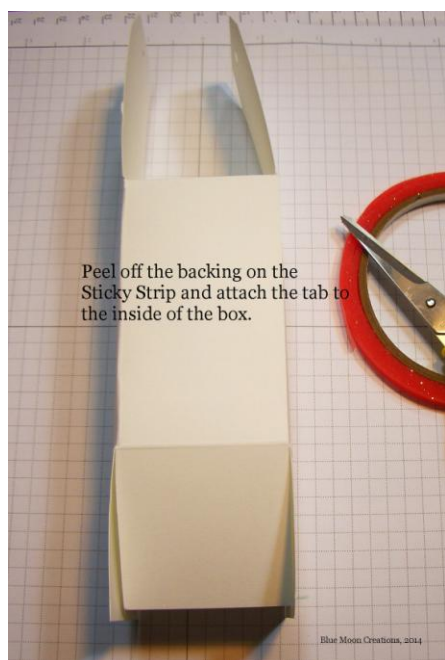

6. Punch alternate top flaps using the Angled or Scalloped Tag Topper Punches.

7. Fold the 2 unpunched top flaps down and glue to the center. This will help give stability to the box.

8. Fold along all score lines.

9. Apply Sticky Strip to outside of 1/2" flap.

10. Peel off the backing on the Sticky Strip and attach the tab to the inside of the box.

11. Fold the bottom sections up to form the bottom of the box. Use Sticky Strip on each section.

Decorate box as desired. Fill it with candy, trinkets or other treats. Perfect for holiday, thank you, thinking of you, or house warming gift giving. The possibilities are endless....
