

Bag in a Box using the Envelope Punch Board

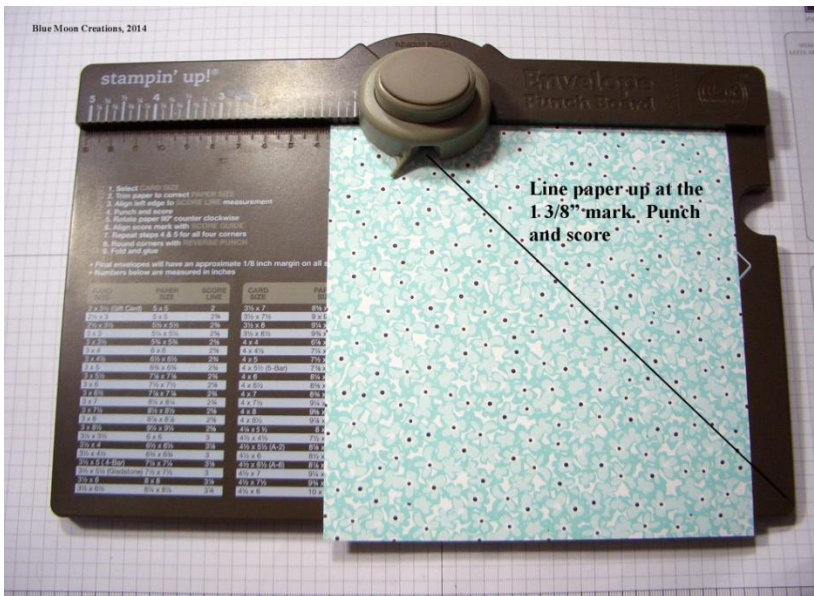

Stamp Set: Says it All

Ink: Coastal Cabana

Paper: Very Vanilla, Baked Brown Sugar,
Tangerine Tango, Retro Fresh DSP

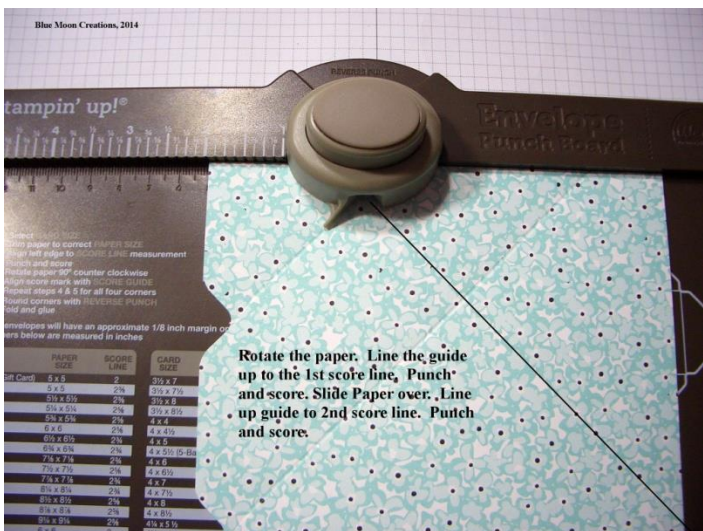

Accessories: Envelope Punch Board, $\frac{3}{4}$ ", Boho Blossoms, Word Window and Modern Label Punches, Candy Dots, SNAIL Adhesive, various ribbon, Mini Glue Dots

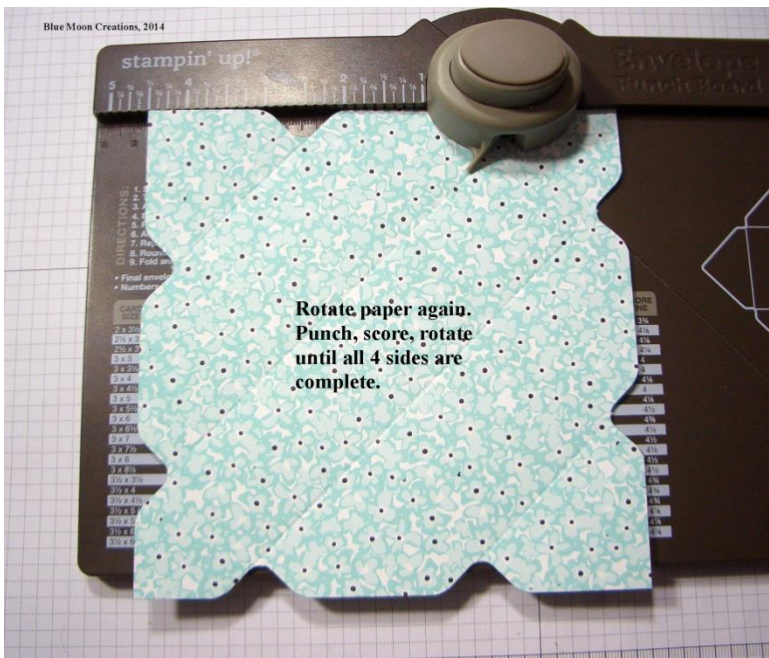

1. Start with a 6" x 6" piece of card stock or Designer Series Paper.
2. Line up paper in the Envelope Punch Board at the 1 3/8" mark. Punch and score.

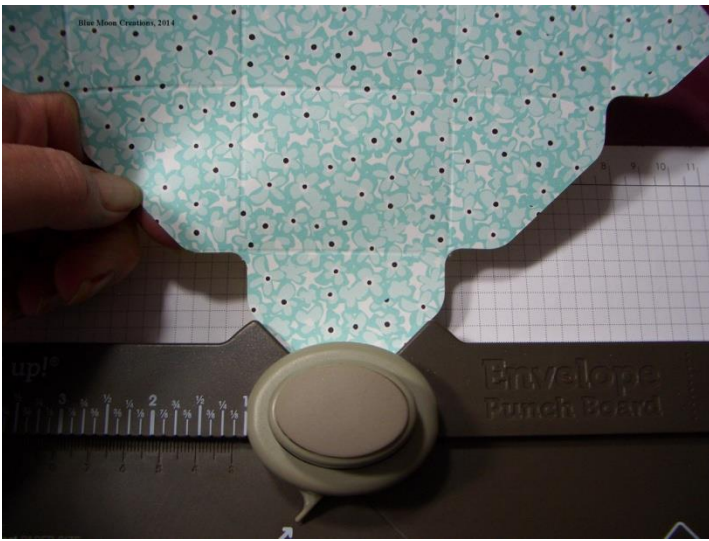

3. Slide paper over to the 4" mark. Punch and score.

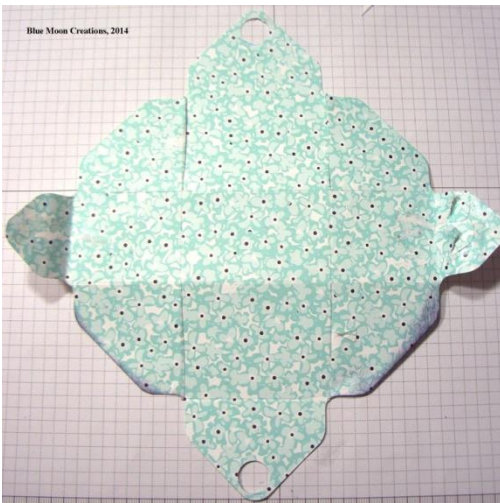

4. Rotate the paper. Line the guide up to the 1st score line. Punch and score. Slide paper over to 2nd score line. Punch and score.

5. Rotate paper again. Punch, score, rotate until all 4 sides are complete.

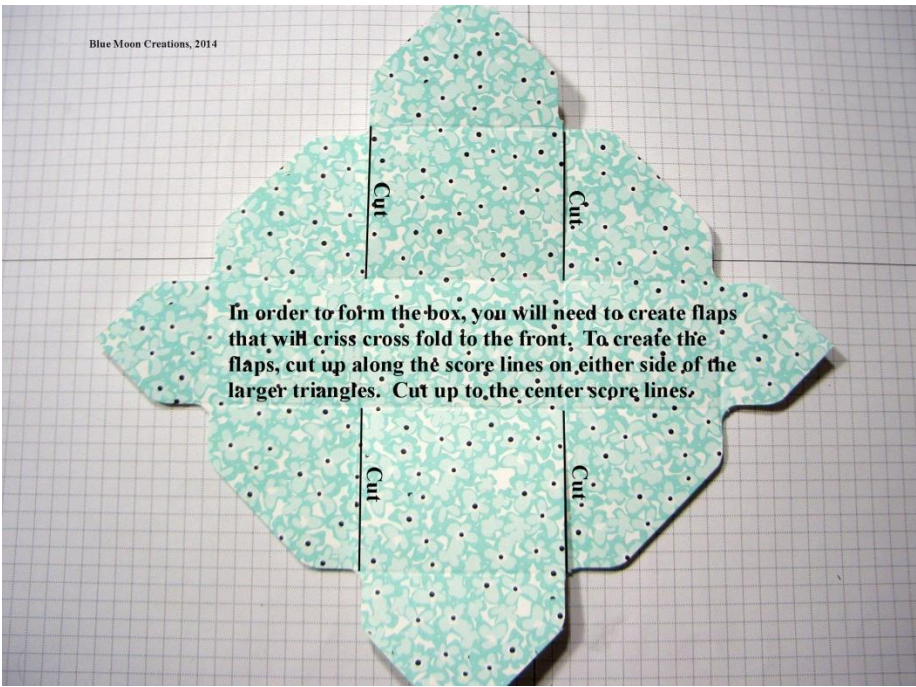

6. Round corners.

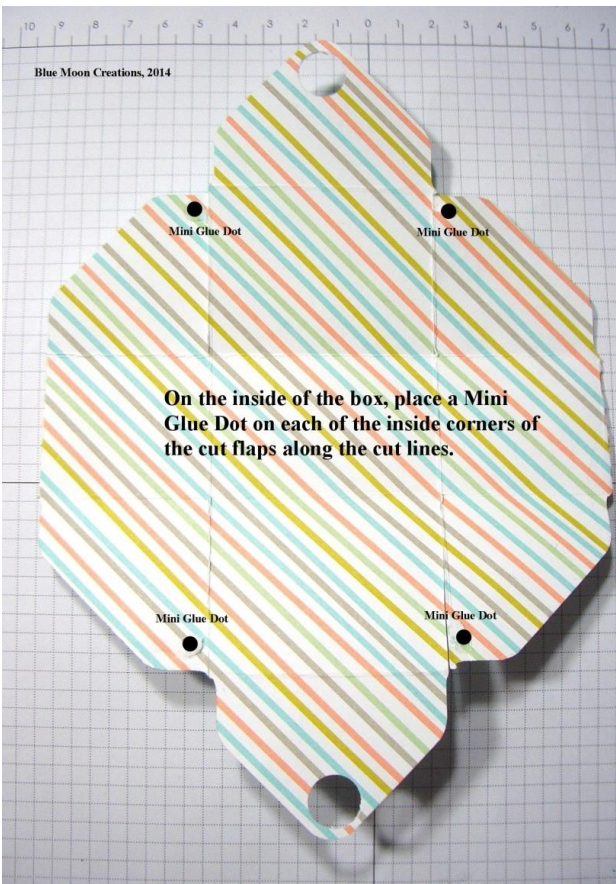

7. Punch handles using a $\frac{3}{4}$ " circle punch.

8. Determine which side will be the front of the box. Fold the smaller triangles over to the front, securing with SNAIL adhesive.

9. In order to form the box, you will need to create flaps that will criss cross fold the front. To create the flaps, cut up along the score lines on either side of the larger triangles. Cut up to the center score lines.

10. On the inside of the box, place a Mini Glue Dot on each of the inside corners of the cut flaps along the cut lines.

To complete the box, fold 1 edge to the front. Fold 2nd edge to the front, overlapping the first. Do the same on the other side.

11. To form the box, fold 1 edge to the front. Fold 2nd edge to the front, overlapping the first. Do the same on the other side.

12. Decorate as desired. Fill with candy or other goodies.

Bag in the Boxes I made as thank you gifts for a recent class. They are filled with Snicker Mini candy bars.

Retired DSP and scrap paper and ribbon were used.
