Peaceful Cabin Diorama Card

Stamp Set: Peaceful Cabin

Ink: Basic Gray, Basic Black

Paper: Basic Black, Basic White, Peaceful Place Designer Series Paper

Accessories: Simply Scored Scoring Tool, Stampin' Cut & Emboss Machine, Cabin and Circle Dies, Stamparatus, Tear & Tape Adhesive, Adhesive Foam Strips, Multipurpose Glue, Mini Dimensionals, rhinestone jewel

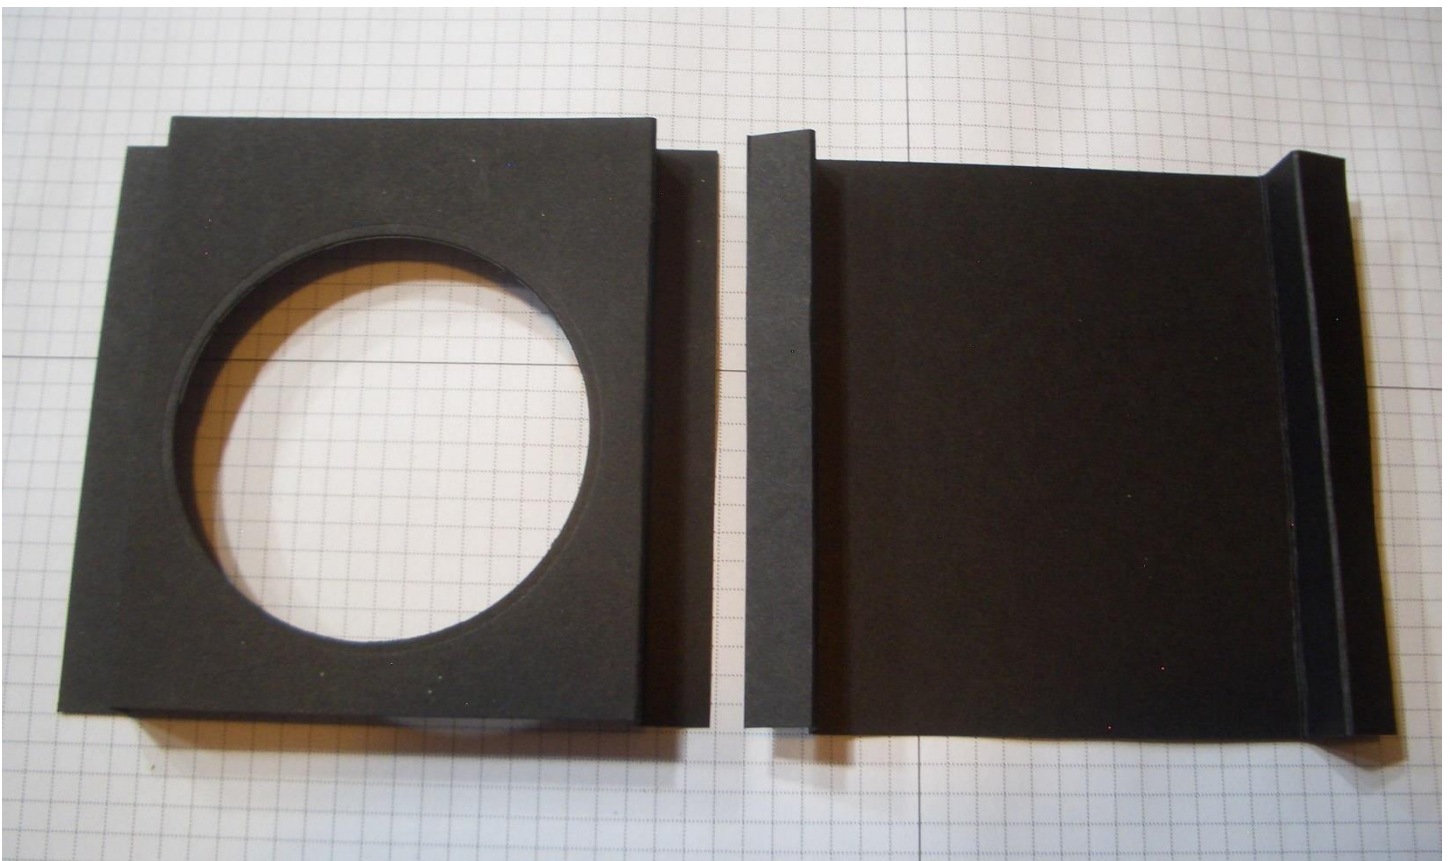

Score at 1/2" and 1" on each side

1. Cut 2 pieces of Basic Black card stock measuring 5 ½"x 4 ¼".

2. Score both pieces at ½" and 1" on each side.

Anne Hayward, Independent Stampin' Up! Demonstrator, annehayward@stampingwithbluemooncreations.com

3. Create a window for 1 of the pieces using a die-cut machine and a circle die. You could also use a circle punch.
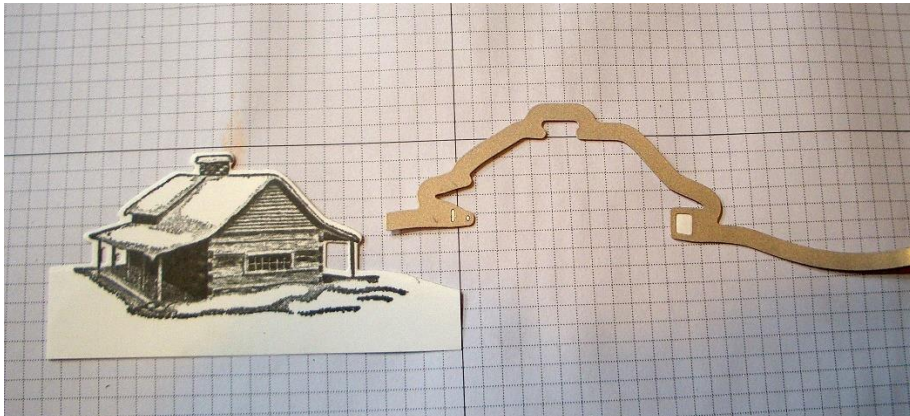

Align the die between the score lines and run it through the die-cut machine. This will be the front of the diorama.

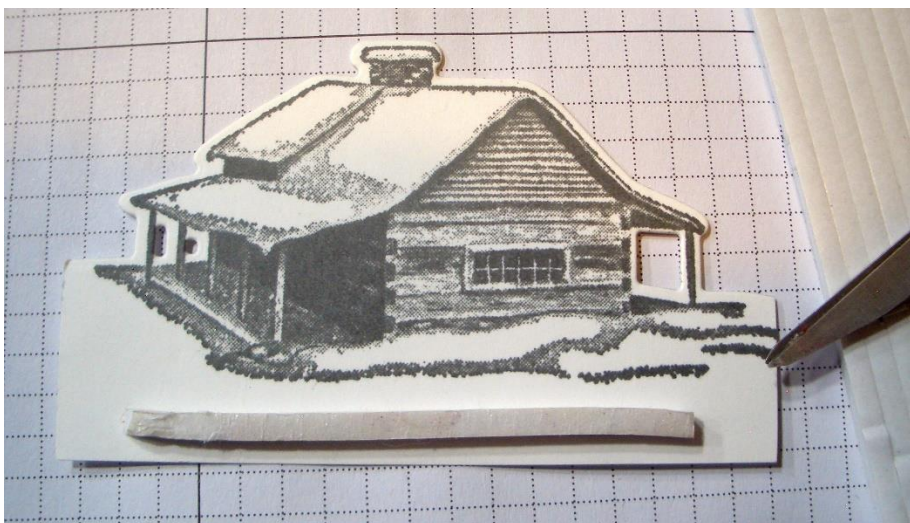

4. Fold the pieces along the score lines. For the top piece, the 1" score lines are "mountain" folds, and the ½" score lines are "valley" folds. For the bottom piece, the 1" score lines are "valley folds, and the ½" score lines are "mountain" folds.

5. Stamp cabin image from Peaceful Cabin stamp set on piece of Basic White card stock using Basic Gray ink. I used the Stamparatus.

6. Cut out using a die-cut machine and coordinating Cabin Die.

7. Attach a piece of Foam Adhesive Strip to the front of the cabin.

Anne Hayward, Independent Stampin' Up! Demonstrator, annehayward@stampingwithbluemooncreations.com

8. Remove the backing on the adhesive and attach cabin to the inside of the front piece of the diorama.

9. Optional: Create a ringed frame for the window using a die-cut machine and 2 Circle Dies nested one inside the other. Cut out of the Peaceful Place Designer Series Paper.

10. Attach frame to the window on the front of the diorama using Multipurpose Glue.

Anne Hayward, Independent Stampin' Up! Demonstrator, annehayward@stampingwithbluemooncreations.com
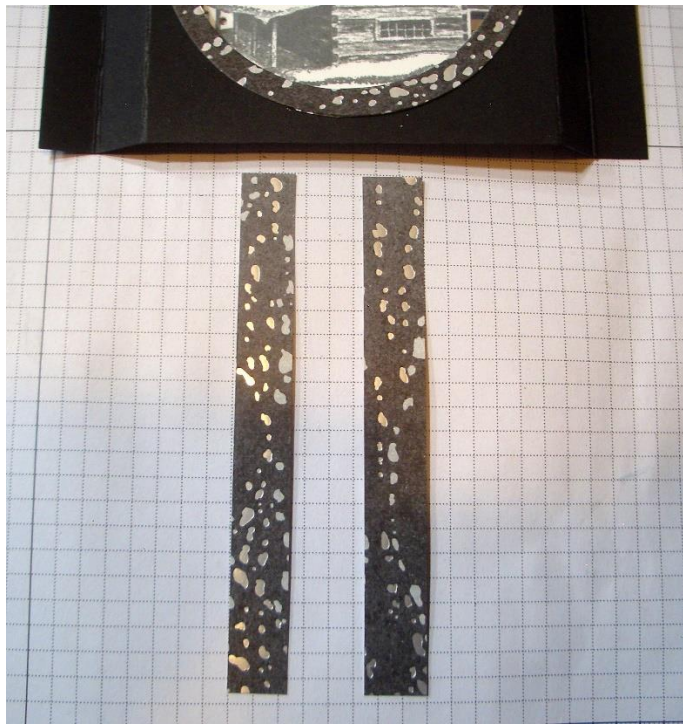

11. Cut a piece of designer paper measuring 4 ¼" x 3 ½" for the inside of the diorama.

Attach to the bottom piece.

12. Optional: Cut 2 strips of designer paper measuring ¼" x 4 ¼" for the edges of the front of the diorama.

Attach using Multipurpose Glue.

13. Apply Tear & Tape Adhesive to the sides of the bottom piece of the diorama.

Anne Hayward, Independent Stampin' Up! Demonstrator, annehayward@stampingwithbluemooncreations.com

14. Peel the backing off the adhesive and carefully attach the top piece to the bottom piece, lining up the top and bottom edges.

15. Stamp greeting from Peaceful Cabin on scrap piece of Basic White card stock using Basic Black ink. Banner cut one end. Attach to front of diorama using Mini Dimensionals to pop it up. Add a rhinestone jewel to complete.

Mountain Air Diorama Card

Stamp Sets: Mountain Air, Tidings & Trimmings

Ink: Basic Black, Basic Gray, Evening Evergreen

Evening Evergreen Stampin' Write Marker

Paper: Basic White, Basic Gray, Champagne Foil Peaceful Place Designer Series Paper

Accessories: Simply Scored Scoring Tool, Stampin' Cut & Emboss Machine, Majestic Mountain and Circle Dies, Stamparatus, Foam Adhesive Strips, Tear & Tape, Mini Dimensionals, ruler, 2021-2023 In Color Jewel

1. Cut pieces for diorama measuring 5 ½" x 4 ¼" out of Peaceful Place Designer Series Paper.

2. Score both pieces at ½" and 1" on both sides.

3. I used the plaid design found in the Peaceful Place Designer Series Paper Pack.

I decided I wanted to add some color to the plaid, so I drew lines using a ruler and Evening Evergreen Stampin' Write Marker.

4. Cut window out of top piece using a die-cut machine and circle die.

5. Stamp and cut landscape pieces using the Mountain Air stamp set and coordinating Majestic Mountains dies.   The mountains were stamped in Basic Gray ink. The trees were stamped in Evening Evergreen ink. I also cut solid mountains and trees out of Champagne Foil paper.

Anne Hayward, Independent Stampin' Up! Demonstrator, annehayward@stampingwithbluemooncreations.com

6. Layer pieces together using Foam Adhesive Strips in between. Attach a piece of Foam Adhesive to the front of the trees and attach to the inside of the diorama. Slip single tree into the front of the diorama using a Mini Dimensional to pop it up.

7. Create a ringed frame for the front of the diorama out of Basic Gray card stock by nesting 2 circle dies and cut out using a die-cut machine. Attach to front of diorama using Multipurpose Glue.

8. Cut and attach a piece of Peaceful Places Designer Series Paper to the inside of the bottom of the diorama.

9. Attach Tear & Tape Adhesive to the sides of the bottom piece of the diorama. Peel the backing off the adhesive and carefully attach the top piece to the bottom piece, lining up the top and bottom edges.

10. Stamp greeting from Tidings & Trimmings stamp set on scrap piece of Basic White card stock using Basic Black ink. Banner cut one end. Attach to front of the diorama using Mini Dimensionals to pop it up. Add 2021-2023 In Color Jewel to complete.
