4. Create background for back panel.

Tap Smoky Slate, Basic Gray and Basic Black ink onto clear block "F". Spritz with water and stamp on Basic White card stock measuring 5" x 4 ¼".
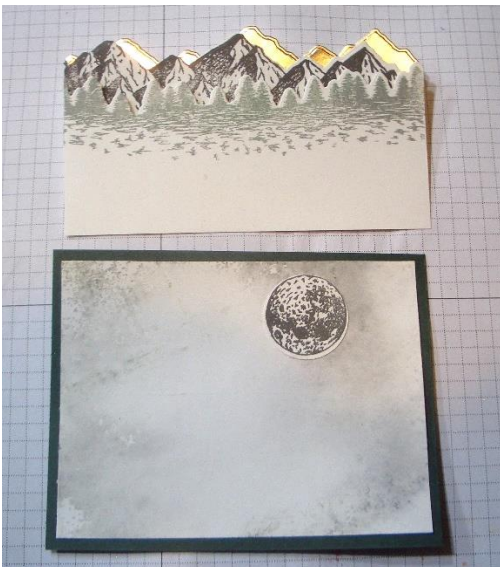

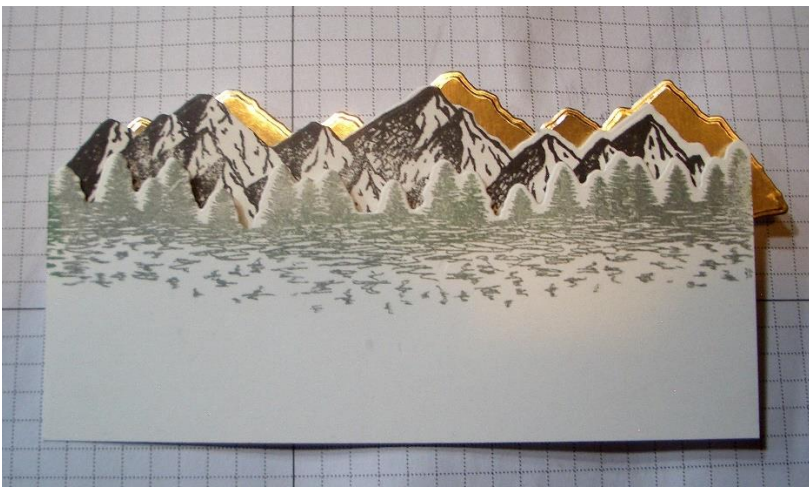

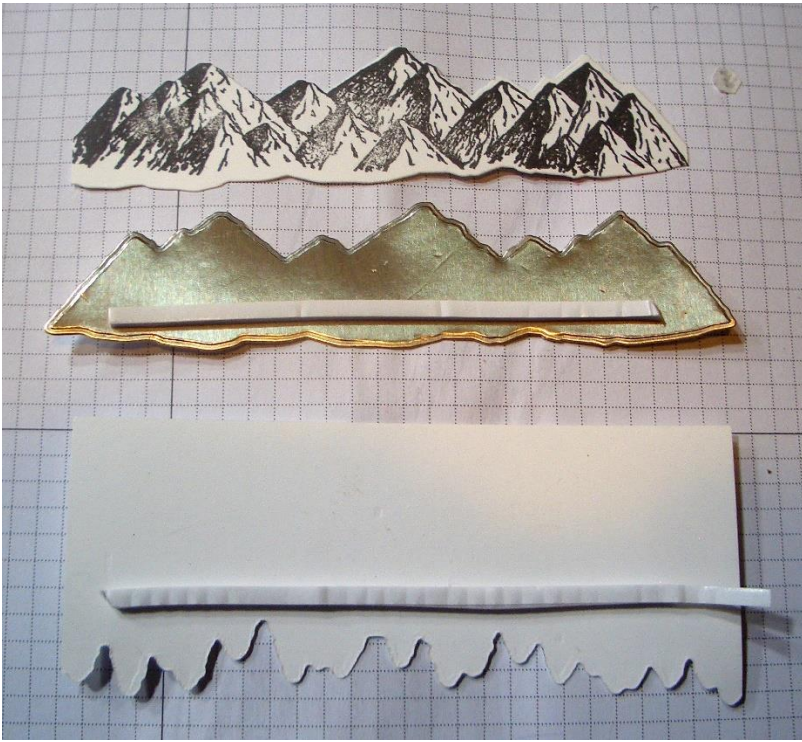

Let the block sit for a few seconds, then lift. Set piece aside to dry.
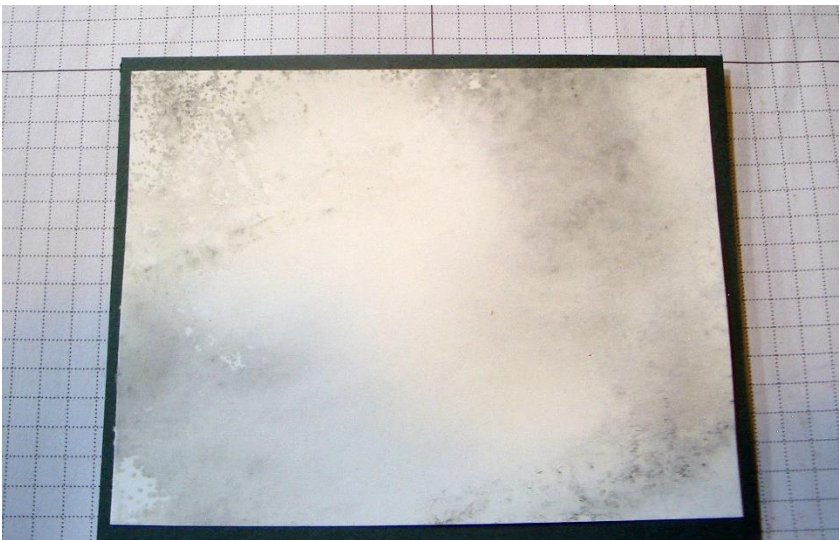

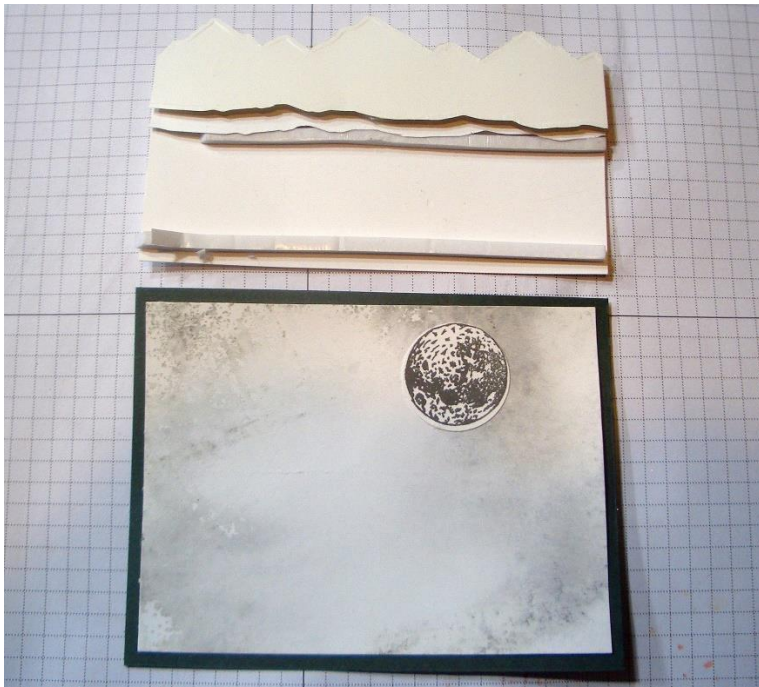

Attach to Evening Evergreen mat.

5. Now to build the back panel.

Layer mountains and trees using Foam Adhesive Strips in between.

Attach the moon to the background piece.

Apply a strip of Foam Adhesive to the back of the mountain and tree piece,

and attach to the background piece.

Trim the side edges with a pair of scissors if needed.

Apply adhesive to the bottom 2/3 only of the background. You want the top to be free and extend above the score line.
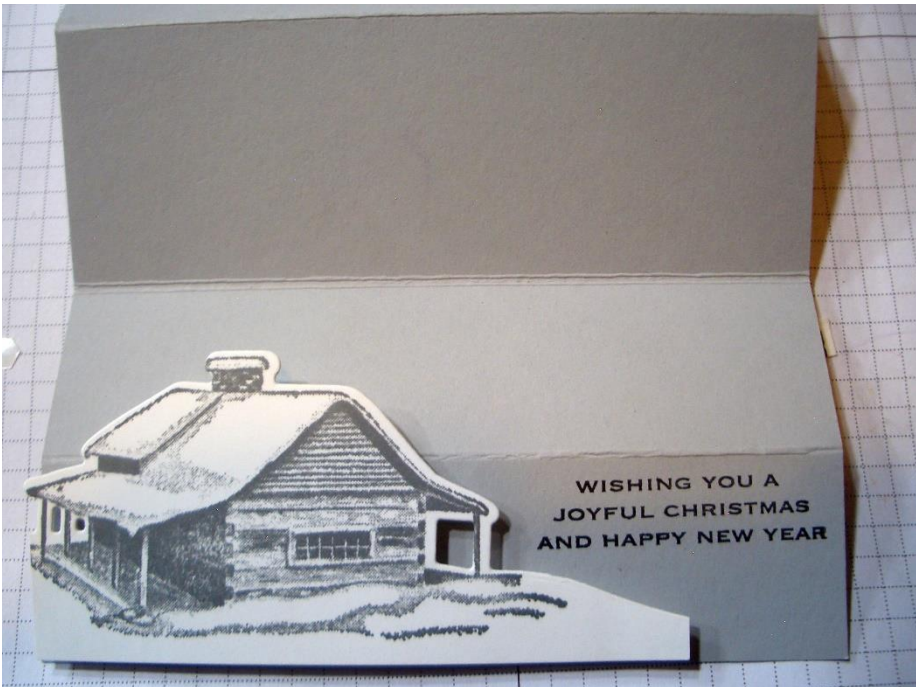

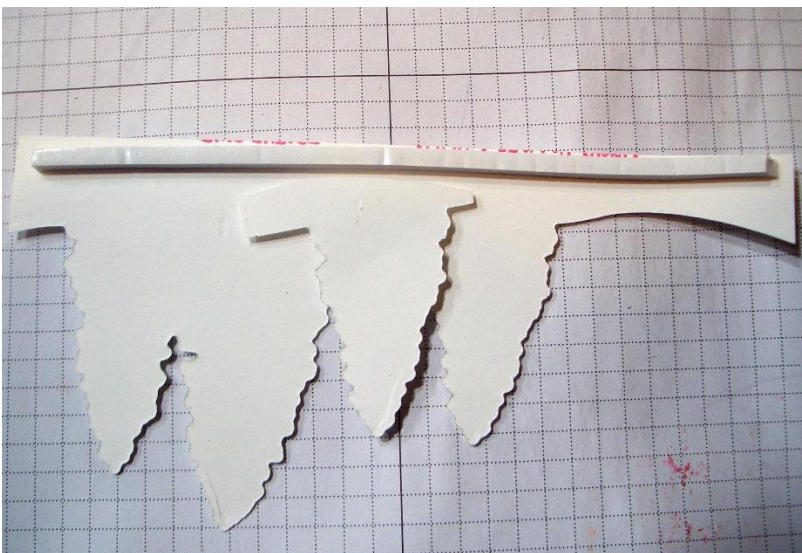

6. Now to decorate the first panel.

Stamp greeting from Tidings & Trimmings on right side of first panel using Basic Black ink.
