

Christmas Tree 6"x6" Swing Fold Card

[Watch How-to Video Here](#)

Stamp Set: Brightest Glow

Ink: Evening Evergreen

Paper:

**Basic White:** (use 1 sheet of 12" x 12" cut in half)

Card Base: 12"x 12", cut in half at 6" and scored at 6"

Card Insert: 12"x 12", cut in half at 6" and scored at 3", 6", 9"

2 ½" x 5 ½" for center panel, scraps for greeting circle

**Lights Aglow 6" x 6" Designer Series Paper:**

5 ¾" x 5 ¾" for card front

Two-2 ¾" x 5 ¾" for insert panels

**Green Glimmer:** 3" x 5" for Christmas tree,

1 ¾" x 1 ¾" for die-cut circle

**Gold Glimmer:**

3" x 5" for Christmas tree backing, scraps for stars

**Gold Foil:** 2" x 2" scrap for circle matting

**Evening Evergreen:** 2 ¾" x 5 ¾" for center panel matting

Accessories: Simply Scored Scoring Tool, paper cutter, Stampin' Cut & Emboss Machine, Layering Circle, Twinkling Lights, and Labels Aglow Dies, 1 5/8" and 1 3/8" Circle Punches, Rhinestone Jewels, Tombow Liquid Glue, Mini Dimensionals

1. Cut and score the Basic White card base and swing insert.

-Card Base: 12" x 6", scored in half at 6"

-Swing insert: 12" x 6", scored at 3", 6", and 9". Turn 90 degrees and score 5/8" on both ends down to the 3" score line. With scissors, cut up along one of the 5/8" score lines to the 3" score line, cut across, then down the second 5/8" score line to remove the panel. This will create the swing mechanism.

2. Attach a 5 3/4" x 5 3/4" piece of Painted Christmas Designer Series to the front right side.

3. Using a punch or die-cut machine, cut out a circle from the front of the card base. I used the Stampin' Cut & Emboss Machine and a 3 3/4" x 3 3/4" circle die.

4. Attach the swing insert to the inside of the card base using the directions for the 4 1/4" x 5 1/2" Ornament card.

5. Now to Decorate:

-Die-cut a Christmas tree out of Green Glimmer using the Stampin' Cut & Emboss Machine and Christmas Lights Die. Die-cut a backing for the tree out of Gold Glimmer. Attach the tree to the gold backing using Liquid Glue.

- Attach Lights Aglow Designer Series panels to the left and right inside panels.

-Attach the Basic White rectangle to the Evening Evergreen mat and attach it to the center inside panel.

-Attach the tree to the panel showing through the circle on the front of the card base. Apply liquid glue to only the back left side of the tree, flip over and attach it to the right side of the inside panel. If you have glue around the whole panel, it will not swing open.

-Stamp greeting from Brightest Glow on Basic White card stock using Evening Evergreen ink. Punch using 1 3/8" Circle Punch.

-Punch a 1 5/8" circle out of Gold Foil.

-Die-Cut circle out of Green Glimmer using a die-cut machine and Labels Aglow Dies.

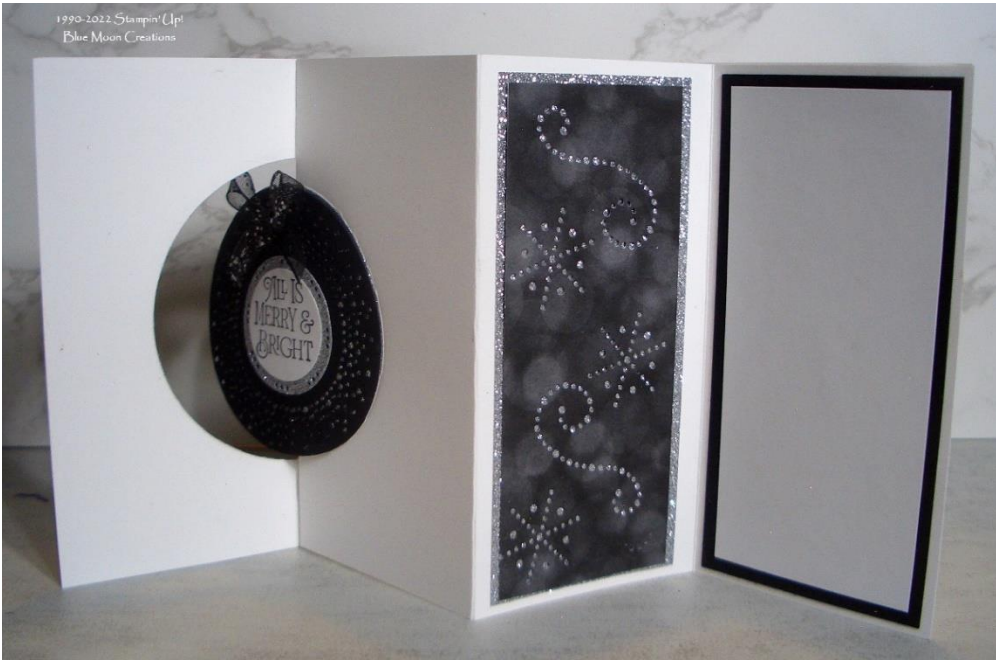

-Layer circles and attach them to the card front using Dimensionals to pop it up.

-Die-cut stars out of Gold Glimmer paper and attach them to the tree using liquid glue to complete.

Silver Confetti 6" x 6" Swing Fold Card

Stamp Set: Brightest Glow

Ink: Memento Black

Paper:

**Basic White:** (use 1 sheet of 12" x 12" cut in half)

Card Base: 12"x 12", cut in half at 6" and scored at 6"

Card Insert: 12"x 12", cut in half at 6" and scored at 3", 6", 9"

2 ½" x 5 ½" for insert panel, scrap for greeting circle

**Metallic Shimmer 6" x 6" Designer Series Paper:** 5 ¾" x 5 ¾" for card front

**Lights Aglow 6" x 6" Designer Series Paper:** 2 ½" x 5 ½" for insert

**Basic Black:**

3 ½" x 3 ½" for circle

2 ¾" x 5 ¾" for insert panel backing

**Silver Glimmer:**

3 ½" x 3 ½" for circle backing

2 ¾" x 5 ¾" for insert panel backing

1 ¾" x 1 ¾" for Labels Aglow circle

Accessories: Simply Scored Scoring Tool, paper cutter, Stampin' Cut & Emboss Machine, Layering Circle and Labels Aglow Dies, 1 3/8" Circle Punch, black and silver organdy ribbon, Tombow Liquid Glue, Glue Dot

1. Cut and score the Basic White card base and swing insert.

-Card Base: 12" x 6", scored in half at 6"

-Swing insert: 12" x 6", scored at 3", 6", and 9". Turn 90 degrees and score 5/8" on both ends down to the 3" score line. With scissors, cut up along one of the 5/8" score lines to the 3" score line, cut across, then down the second 5/8" score line to remove the panel. This will create the swing mechanism.

2. Attach a 5 3/4" x 5 3/4" piece of Metallic Shimmer Designer Series to the front right side.

3. Using a punch or die-cut machine, cut out a circle from the front of the card base. I used the Stampin' Cut & Emboss Machine and a 3 3/4" x 3 3/4" circle die.

4. Attach the swing insert to the inside of the card base using the directions for the 4 1/4" x 5 1/2" Ornament card.

5. Now to Decorate:

-Die-cut circle out of Basic Black card stock using the Stampin' Cut & Emboss Machine Labels Aglow Die. Die-cut a backing for the circle out of Silver Glimmer using a 3 1/4" Circle Die. Attach the circle to the backing using Liquid Glue.

-Stamp greeting from Brightest Glow stamp set on scrap Basic White card stock using Memento Black ink. Die-cut or punch. I used a 1 3/8" circle punch. Die-cut Silver Glimmer using Labels Aglow Die. Layer using liquid glue. Attach to Basic Black circle.

-Attach the Basic White rectangle to the Basic Black mat and attach it to the center inside panel.

-Attach the circle to the panel showing through the circle on the front of the card base. Apply liquid glue to only the back left side of the circle, flip over and attach it to the right side of the inside panel. If you have glue around the whole circle, it will not swing open.

-Die-cut snowflakes and swirls out of Lights Aglow Designer Series Paper using Labels Aglow Dies. Attach to silver glimmer backing using liquid glue. Attach to center inside panel.

-Attach Whisper White rectangle to Basic Black mat. Attach to the right inside panel.

-Add a piece of ribbon to the circle. Tie a bow out of the ribbon and attach it to complete.
